Congratulations

Well done to Dulcibella, Ivy, Cirilla and Cael for outstanding work and kindness this week. Great job to Haamiora and Seth who won principal prizes.

Hangi

Thank you for your cooperation with the hangi. Due to the current water situation at school (which all parents have had an email about), we felt that it would be better to postpone the hangi until the end of term. All tickets already purchased will be fully transferable.

10 April	PTA Evening Meeting 7pm all welcome
11 April	Vege peeling day
12 April	Last day of Term Learn how to build a hangi Cultural performance and hangi 6pm—Plates \$20

Senior Camp

Final Camp letters come out this week. Those of you who filled in medical and contact information from Patea Camp won't need to fill in them again as we can re-use them. We will be sending out forms on Monday about getting to the airport, our contact number/s while we are away, and what clothing/kit kids will need. A little booklet for each child will also be included, this is to help them anticipate what main activities we will be doing.
