969A South Road, Mokoia, Hawera

Senior Camp

There is excitement in the air as the Senior Class prepare to go on camp. Please make sure that you arrive at your assigned driver's place on time. The weather forecast looks amazing, so please ensure that your child has a sunhat. We have sunblock. Remember, your child has to be able to handle their own luggage at the airport and the accommodation.

Not Going on Camp?

There is still school as usual, for those not attending Senior camp. We have already prepared learning for those who aren't able to attend. We ask that you are prompt in picking up your children this week, as we have a skeleton staff at the end of the day.

Get On Board

You will have found an envelope in your child's bag for Board of Trustee elections. We have two positions open and strongly encourage you to consider standing. As a parent, you are also eligible to nominate a community member, so if there is someone that you think would be able to make a wonderful contribution to the school through governance, please approach them.

Meet "Blue", the latest addition to the Senior Class.
